

How to Register for Online Banking

Using an Internet Browser

1. Go to www.bankfirstcommerce.com
2. Click **LOGIN** from the upper right corner of the screen.

3. About half (1/2) way down the screen, click on **NOT ENROLLED? SIGN UP NOW**.
 - a. You will need the following information:
 - i. Social Security Number or Tax ID Number
 - ii. Account Number
 - iii. Email address that you previously provided to the bank
 - iv. Login Name and password you would like to use for online banking
4. Complete the form with your information.
 - a. If you are registering a commercial account, please contact the bank on what Tax ID Number to use.
5. Submit your registration form once you have verified that your information is correct.
6. In a new browser window, you will now need to access your email to retrieve your confirmation code. If you don't see an email in your inbox, please check your **JUNK** or **SPAM** folder.
7. Go back to the tab where you entered your enrollment information and enter the confirmation code and click **SUBMIT**.
8. Create a password for your account. Once your password has been accepted, you will see a message that your account is under review.
9. Within 1-3 business days, you should receive a phone call from the bank confirming your registration. If you have not heard from us within this time frame, please give us a call.
10. Once your registration has been approved, go to www.bankfirstcommerce.com and click on **Log-In** in the upper right-hand corner.
